Dear Prospective Phlebotomy Student:

Thank you for your interest in our Phlebotomy program. The next class will begin September 9, 2019. To be considered for the program, you must mail the following information to the Cattaraugus-Allegany BOCES Health Occupations office by Thursday, August 29, 2019:

1. The Phlebotomy program application form.
2. A copy of your high school transcripts or GED with scores.
3. A copy of any post-secondary school or college transcripts.
4. The reading score on the TABE (Test of Adult Basic Education) with a minimum score of 12.9. Please contact your county employment training agency (tuition assistance information flyer) to register for the TABE or call Bethany Ruane at 716-376-8293 for more information.

Acceptance into the program is based on completeness of application form, grades and scores from your transcripts, relevant work and life experience, and the interview.

Once this information is received it will be reviewed and if the eligibility requirements are met, you will be called for an interview. (The physical exam will be required after your acceptance into the program.)

Sincerely,

Catherine Tomerlin, RN, BSN
